LO: To recognise the ure trigraph

Can you read the story below? When you find the 'ure' trigraph in a word then underline it with a coloured pencil.

The Mixture in the Picture

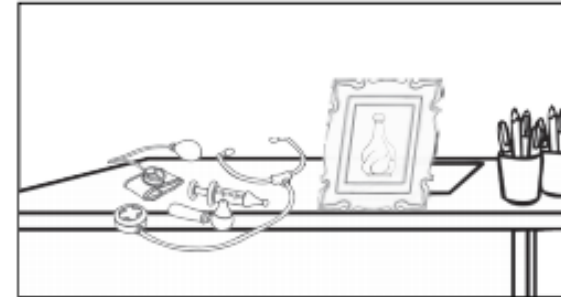

e.g.

Hure was ill. In fact, he kept being sick. He had a temperature and felt too ill to get up from his bed.

The doctor sent him to bed with a pill. The pill did not help Hure and he still felt ill.

He went to see the doctor and sat in his room. In the doctor's room, on his desk, was a picture.

The picture was of a mixture that was pure green.

He had to get the mixture to cure him. The doctor went by boat and got this mixture.

"You will now get a cure!"

Hure drank the mixture. He had his cure.
