

29.1.21 Maths

Challenge time!

Now that we know which methods we use to add and subtract. Here are some addition and subtraction methods mixed up. Look at the sign carefully to know which method to use.

1. $34 + 5 =$

2. $67 - 21 =$

3. $49 + 21 =$

4. $67 + 38 =$

5. $34 - 5 =$

6. $56 + 10 =$

7. $67 - 38 =$

8. $56 + 10 =$
