Recount - Taking Flight

LO: To continue to write a
recount.

Throughout our lesson today, we are going to continue to write a recount. The recount will be about the short clip, Taking Flight, and you will be completing the recount from Tony's point of view. Let's watch the clip again...

Let's refresh our memories and watch the video again. Please click or type the link below into a Google search or type the words "Taking flight on youtube" into a Google search.

Today you will write about your first adventure (lakes/crocodile).

Use the example below as a starting point to help you create your own ideas.

In today's paragraph I would like you to use the following time adverbials:

Soon after

Just then

I found an **amazing, red kart**. Grandpa said that we could play with it once he had finished mowing the lawn. I was so excited. **Two hours later**, grandpa and I could see a **huge, blue lake** and lots of **scary, green crocodiles**. **It was thrilling!** The water hit grandpa and I, as we continued to glide through the **glistening, rough water**.
