Headteacher: Mrs M Hignett BEd, NPQH

Dear Parents/Carers

In the Summer term, our Year 5 Science topic is Earth and Space. To both inspire and enhance our pupil's knowledge on the topic, we have arranged a school trip to Jodrell Bank. This will take place on Wednesday 23rd October.

Jodrell Bank is an inspirational place full of mind-blowing stories of pioneering heritage and cutting-edge science. As part of our trip, pupils will take a guided tour of the Solar System and discover constellations in Jodrell Bank's Space

Dome. They will then continue their journey of discovery in their exhibitions, learning how the Lovell Telescope views the Universe and about the live science taking place at the UNESCO World Heritage Site

Children will leave school on a coach at 9:30am prompt and will return before the end of the school day.

School will be covering most of the cost for the trip, but we would like to ask for a **contribution of £10** to help with the remaining costs.

While trip payments are voluntary, we welcome your contributions to allow these educational visits to go ahead.

Please visit the School Money link [School Money](#) to pay your £10 contribution.

To grant permission for your child to attend the trip you must fill in the online consent form please visit <https://forms.office.com/e/ENU64xYxVu>

Children will need to wear school uniform for the trip. We would be grateful if you could ensure your child has an appropriate coat and footwear for the day, as it may be wet and there will be lots of walking. **Please do not send your child in with any pocket money.**

***If you are sending your child with a prescribed inhaler on the day, you must ensure an up to date medical consent form is completed or they will be unable to attend.**

If you have any questions, please do not hesitate to ask any of the Year 5 staff.

Kind regards,

Miss Ball, Mrs Davies, Mr Smith & Miss Whitehurst
