

# PATHS<sup>®</sup> Impact 2021/22

In 2021/22, we worked with **36,932** children, school staff and parents across the UK delivering the *PATHS<sup>®</sup> Programme for Schools (UK/NI Version)*.

## Broad Oak Community Primary

**8**  
Pupils

**12**  
Staff Supported

**29**  
Parents engaged

## School Impact

The impact of *The PATHS<sup>®</sup> Programme* is tested using a variety of quantitative and qualitative data collection methods. Surveys were completed by teachers, who answered a range of questions relating to behaviour, aggression, concentration, social and emotional competence and perceived academic performance.
